## Your complimentary subscription to the GEB Country Insights portal, powered by Axco

As a global human resources or risk professional, you need a single source of fully updated information on local employee benefits (state and/or mandatory), typical market practices and compliance requirements. In addition, you may be interested in monitoring our Network Partner developments, opportunities and potential risks.

## At GEB, we are constantly eyeing new ways to add greater value to our partnerships, to make your life – and the lives of your employees – easier.

We have launched a partnership with Axco to provide you a one-stop reference for comprehensive and exclusive global EB intelligence. Through Axco's leading online portal Insight EB, GEB has created Country Insights, a unique service that combines Axco's EB knowledge and our industry expertise. The new GEB Country Insights portal adds value beyond policy information by offering expert knowledge. Axco, a leading supplier of global insurance market information, has more than 55 years of experience in researching and publishing industry intelligence on insurance and employee benefits.

## Crucial source of local EB intelligence and typical market practices

The GEB Country Insights portal provides concise information on state and compulsory benefits, typical employer-sponsored plans and other primary forms of benefits, allowing you to make informed and timely decisions.

All information is researched, updated and verified by experienced industry professionals. The portal also provides quick access to consistent, translated information, thereby reducing costs and increasing efficiency. Detailed references to **plan types, eligibility, retirement ages, contribution rates and vesting requirements** help identify potential shortfalls or over-provisioning of benefits in the markets under review.

GEB Country Insights offers expert knowledge in:

- State and compulsory benefits
- Retirement and pensions
- Death in service benefits
- Short-term sickness
- Long-term disability
- Medical benefits
- Workers' compensation
- Termination indemnities

## Country-specific knowledge: easy to use, simple to customise

Choose information the way you wish to view it and compare multiple markets.

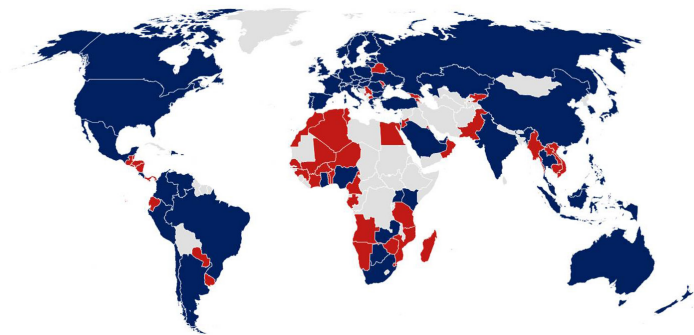

Sort results by benefit type or country; export to Excel or PDF formats.

Together with Axco's intelligence, which covers the 69 countries listed below in the table (in blue), we also provide local GEB Network Partner capabilities in an additional **53 countries**.
